

POSTDOCTORAL POSITION

Program for Evolutionary Dynamics

Harvard University

Website: <http://www.ped.fas.harvard.edu>

The Program for Evolutionary Dynamics at Harvard University is seeking a computational scientist to develop tools for analyzing problems in evolutionary biology. The ideal candidate will have a strong background in stochastic processes and be an excellent programmer. The opening is a position for a postdoctoral fellow.

Interested candidates should send a research statement, current curriculum vitae, and three letters of reference to Jordan Bice by email at bice@fas.harvard.edu or to the following address:

Jordan Bice

Program for Evolutionary Dynamics

Harvard University

1 Brattle Square, Suite 6

Cambridge, MA 02138-3758

We strongly encourage applications from female and other underrepresented minority candidates. Harvard University is an Equal Opportunity Affirmative Action Employer. Employment is contingent upon eligibility to work in the United States.
