
The Waste-Paper

“Waste is a terrible thing to mind”

Volume 14 Issue 12

December 2011

THANK YOU!

This year, Environmental Health and Safety would like to thank all faculty, staff and students who assisted us in our effort to manage the Chemical Waste Program. We also wish to thank in a special way, those individuals that served above and beyond the call.

Cost Reduction

Eric Wachtman/Brian Glendon, Cogen – **Oil & Drum Reuse/Recycling**

Mike Fredericks, Molecular Biology – **Cylinder Waste Reduction**

Exemplary Waste Management

Joe Laskow/ Phil Curry, E-Quad Waste Room

Joe Palmer, E-Quad Waste Room
