Authorized User's Name Principal Investigator's Name Here

Please provide Authorized User's name even if report is prepared by another person.

Report prepared by: Your Name Here

Department: Select Department Extension: _____

Releases are reported for the following month and year: _____ (e.g., Dec-2002)

(Note: The reporting period should run from the first day of each month through the last day of the month.)

☞ ***Report amounts in µCi.*** ☜

ENVIRONMENTAL RELEASES			
ISOTOPE	**AMOUNT RELEASED TO SANITARY SEWER** (µCi)	**AMOUNT RELEASED TO AIR VIA HOODS, ETC.** (µCi)	**REMARKS**

1. Please report all radioactive materials released through the sink or the hood during the month.
2. Submit a report each month even if your lab did not have any releases.
3. The report is due in Environmental Health & Safety on the 8th day of each month. For example, if you are reporting the releases for the month of January, the report must be received by EHS no later than February 8.
